## Induction Cooktop

### **Transform Your Kitchen with the Onyka Bridge Induction Cooktop**

Elevate your kitchen with the Onyka Bridge Induction Cooktop, where cutting-edge technology meets sophisticated design. With its sleek, black matte finish and striking architectural lines, this cooktop adds a touch of elegance that will set your kitchen apart from the rest.

### **Innovative Glass Surface**

The Onyka glass is not only beautiful but also functional—designed to reduce glare, resist scratches, and eliminate fingerprints, ensuring your cooktop always looks pristine.

### **Unmatched Precision and Control**

With the easy-to-use Slide Touch Controls, you can effortlessly adjust the heat for precise cooking. Whether you need maximum power for quick searing or a gentle simmer for delicate sauces, the Boost and Simmer settings give you complete control.

### **Versatile Bridge Cooking**

The innovative Bridge option seamlessly connects two burners, creating a larger cooking area for oblong pans and dishes. Maximize your cooking surface and prepare larger meals with ease.

### **Simplicity and Cleanliness**

The patented SilKEN® mat not only keeps your pots securely in place but also makes cleaning up afterward a breeze.
